EDUCATION

Bachelor of Science in Architecture | Expected May 2028

Texas A&M University, College Station, TX

- Design portfolio showcasing iterative design process, spatial reasoning, and user-centered thinking: aydenpettiette.com
- Relevant coursework: Architectural Design Studio., Environmental Design, Architectural Structure, Materials and Methods

EXPERIENCE

Solar Panel Cleaning Specialist | SunGun, College Station, TX Sept 2026

- Engage with clients and manage appointments.
- Conduct thorough cleanings with special equipment and improve the efficiency of a resident's solar energy.

Intern | Macro Design Studio, San Antonio, TX June 2025 - Jul 2025

- Shadowed a growing firm and vicariously learned the process from client to construction.
- Developed new techniques to hand sketch lucid diagrams, sections, plans, and perspectives.
- Participated in the studio, incorporated feedback, and adapted concepts through observation.
- Visited construction sites to internalize structural information.

Tour Guide | Cave Without A Name, Boerne, TX Dec 2022 – Aug 2023

- Presented complex scientific and historical information to groups of 25+ visitors, adapting communication style to diverse audiences.
- Crafted clear, engaging narratives that translated technical subject matter into accessible, memorable experiences.
- Managed group flow and attention through a structured, multi-stop experience — analogous to guiding users through a designed journey.

Houseman / Banquets | The Bevy, a DoubleTree by Hilton, Boerne, TX Sept 2021 – Oct 2022

- Executed large-scale event setups independently from printed schedules, demonstrating strong organizational skills and ability to manage multiple tasks.
